

Thursday A.M. Men's Fellowship & Work Group

Each Thursday morning, a group of men (mostly retired) gather for coffee fellowship at 9 a.m. After coffee, they spend an hour or two making any repairs needed around the church. They also take on major projects such as laying the brick pathway, construction projects, setting up or tearing down rooms for events at church, etc. They are an invaluable part of the congregation. They are able to use their expertise to keep this 135+ year old building in tip top shape.
